Separate permits are required from the State of Colorado for manufactured home placement and electrical and plumbing work. This permit becomes void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work and placement of structures on the lot will be complied with whether specified herein or not. The granting of a permit does not presume to give the authority to violate or cancel the provision of any other state or local law regulating construction of the performance of construction.
