- The City of Florence is accepting sign-ups for the City's new communications initiative run through the Constant Contact platform. This initiative allows citizens to sign up to receive notifications and information on topics of their choosing. A sign up form is available on the City's website.
- Since the City's migration to an electronic billing platform, enrollments in auto-pay and other features of the system as well as opt-ins to electronic billing have continued to increase on a daily basis.
- Code Enforcement has been busy sending out notifications regarding weeds and other issues throughout the City as well as working with the County on plans to address properties adjacent to the City of Florence, but not within the City's jurisdiction.
- Staff is continuing to work on the lengthy processes of holistic code revision and fee updates. We expect to present another round of house-keeping type code revisions prior to the end of the summer.
